5085 South Syracuse Street

## A MODERN STEAKHOUSE

FROM THE OUTSIDE, IT'S EASY TO MISTAKE THIS DENVER STEAKHOUSE FOR A MODERN ART MUSEUM.

Inside you'll find yourself seated on a Brahma bull cowhide bench. The bar features high-end spirits, and of course, you can catch the score of the game on plasma TVs. For cozy winter evenings, grab a table by the fireplace. During warmer months, enjoy our outdoor patio and explore our summer specialty cocktails & fresh fish flown in daily.

For the wine connoisseurs, feast your eyes on a cellar display containing 4,000 bottles of red wine and 1,400 bottles of white wine as you make your way to your table. Contemporary paintings throughout the steakhouse complement the modern interior. Italian imported lighting adds texture and warmth that is incomparable to other steakhouses. Casual ambiance and exceptional food makes Demis Steakhouse and Spirits a truly rare experience.
